Grace Park to Observe the Lenten Season

Ash Wednesday, February 17-Easter Eve, Saturday, April 3

The season of Lent is observed by most Christians during the 40 days leading up to Easter. It is a time of prayer, reflection and fasting. This tangible ritual is a stark reminder that we do not have a lasting place on earth. We are disciples on a journey that ends with death. Lent is about participating in the death and resurrection of Jesus. During lent, let us learn more deeply how to 'die to self each day', so that 'the life of Jesus will be seen through us' each day.

J17Partnership Celebration

Sunday Evening, February 21, 6:00 p.m. Bus leaves: 5:10 p.m.
Born Again Church, Nashville, TN. (Let's take a strong delegation!)

Every local church has a biblical mandate and responsibility to help make visible the *oneness* of the Lord's Church...which the night before He was crucified, Jesus *prayed for* ...went to the cross and *purchased* with His own blood...and has *provided* for us to make visible to the world.

When the church demonstrates *such profound oneness* across denominational and racial lines they will be more convinced that Jesus is the *Sent One*. Please know that this responsibility is a priority to the leadership of your church...and we hope you will make it a priority in your personal walk. Plan to be with us for this special gathering.
