## March Message Series

*"The Shift...Simplifying Our Focus"*

Discovering FamilyLife @ Grace Park

Please be in prayer and let's anticipate what God will powerfully work in our hearts and homes as we seek to 'simplify the way we do church'. Our purpose for this emphasis? We want to more effectively reach people and help people grow in becoming more like Jesus. May God grant to us all a holy dissatisfaction with 'business as usual' and let us hunger and thirst to see greater evidence of His power and glory in our church...in our lives. May we be willing to make any shifts, any changes, any adjustments to help make this happen!
